

Calls to the Church

The Indigenous members of the United Church of Canada are calling on all of us to be good relations as we seek to be the Body of Christ together.

The document, "Calls to the Church", was received and unanimously approved at General Council 43 in July 2018. It is an invitation and road map for how we can live in right relationship in the United Church.

You can find the calls to the church here:

I encourage us all to read, discuss and consider how we as a congregation might embrace the gift and challenge presented to us through these calls from our Indigenous relatives.
