

As part of our Affirming vision, St. Martin's is committed to walking the path of right relationship with all our relations. We are so grateful to Reconciliation Saskatoon for this new initiative to help us all on our way to healing and right relationship:

Be A Connectr

Reconciliation Saskatoon is a community of over 98 organizations, non-profits, businesses and partners who have come together towards one mission: to initiate a citywide conversation about Reconciliation and provide opportunities for everyone to engage in calls to action.

ConnectR is our latest project and evolved out of a desire to share the opportunities we experience through Reconciliation Saskatoon beyond our circle. Here you will find opportunities to:

- listen to each other and build new relationships;**
- learn from one another;**
- build a shared future;**
- create change and live Reconciliation together.**

Reconciliation is a journey, a path. You can't do one thing and say your journey is complete. Reconciliation is a lifelong learning process and ConnectR is there to support you along the way.
